

**Georgia Engineers Week
2018 Engineer of the Year Awards
DEADLINE: September 29, 2017
Nomination Form**

Purpose of the Award

To honor licensed engineers who have made outstanding contributions to the engineering profession, the public welfare, and/or humankind.

The Awards

The names of the awards presented shall be the Engineer of the Year; Lifetime Achievement in Engineering; Engineer of the Year in Industry, Education, Government, Construction, or Private Practice; and Young Engineer of the Year. This acknowledgement of engineers is made possible by Georgia engineering organizations joining together to honor individuals in the Georgia engineering community.

The selection of recipients of the Engineer of the Year Awards shall be made by the Engineering Council of Birmingham with final approval by the Georgia Engineers Week Committee.

The award shall consist of a crystal award engraved with an appropriate citation and will be presented at the 2018 Georgia Engineering Awards, a black-tie event to be held on Saturday, February 24, 2018 at the Grand Hyatt Atlanta in Buckhead.

Eligibility for the Award

Nominees must be submitted by agencies, companies, organizations, and universities. The selection process is based on ratings received for the engineer's contributions to the profession, the public welfare, and/or humankind as listed under the purpose of the award.
